

North Carolina Odyssey of the Mind

Hello Coaches and Coordinators! We just wanted to send out a quick reminder that our Skills Fair Registration is open and filling up quickly!

Our annual Skills Fair will be held at Hope Valley Elementary School in Durham on Saturday, November 11, from 9:00 a.m. until 12:30 p.m. It is intended primarily for Div I and Div II teams.

The registration link is online on the [Eastern Region website](#). Registration is by team. You will be asked to fill in your coach's information and the number of team members, up to a **maximum of three per team**, who will be attending. Your coach does not need to attend but students do need to be supervised by a parent or other designated chaperone.

The cost is \$8 per team member. Upon registration, your coach will receive information about how to pay online and prior to the day of the Skills Fair. There is no cost for supervising adults.

After registering, your coach will be emailed a link to a SurveyMonkey, which he or she may forward to the parents of attending students. The SurveyMonkey will ask for the name of the attending student and the name and phone number of the supervising adult, and allow the student to rank his or her class preferences. Students will receive their assigned class list by e-mail prior to the day of the Skills Fair.

Please let us know if you have any questions!
