

Volunteer Information Sheet

North Carolina Odyssey of the Mind Eastern Regional Tournament March 3, 2018

WHY should I volunteer?

Without volunteers the tournament couldn't happen! To ensure that we have enough help, and to be fair, we ask each team to provide a volunteer to help perform specific jobs necessary for running the tournament. If a team does not provide a volunteer, they will be unable to register for the tournament.

WHAT do volunteers do?

There are a number of different jobs volunteers perform such as door monitor (letting spectators know when they are allowed to enter a competition room) and team check-in (providing coaches with their tournament-day packets and helping to answer procedure/location questions). Every tournament is a little different so the types of jobs vary slightly from year to year.

HOW much time is involved?

Volunteer time slots are 2-3 hours long between the hours of 7:30am and 4:00pm. Typically the most volunteers are needed between 8:00am and 12:00pm. A sign-up is sent out approximately two weeks before the tournament to all registered volunteers so that you may choose the time and job that best works for you. Please have more than one time available!

CAN I see my team perform?

YES! Absolutely! There will be plenty of time slots available so that you can make sure to see your team perform.

PLEASE note: Given that these tasks require your full attention please be aware that you cannot leave during your time slot. We also ask that you not have your children with you while volunteering.
