Subject: Upcoming Deadlines
Date: January 19, 2020

Hello Coaches and Coordinators!

A few deadlines, events, and reminders for you:

Tournament Registration closes on Saturday, January 25th. Less than a week away! Please contact Lexie Groner at ncomeTD@gmail.com if you have any issues or questions. Coordinators: it's always a good idea to make sure you have the correct number of teams registered!

The Spontaneous Fair is also Saturday the 25th. There are still 6 openings for each session (AM and PM), but registration closes Wednesday evening. Given the effort required to schedule teams there is no late or day-of registration.

Judges and Volunteers should have received an email asking them to fill out a google form to confirm their availability (this has been happening on a rolling basis since November). Please check with your judges and volunteers to make sure they've completed this form (double check spam folders!). Confirming availability and showing up for all duties are required to ensure no unsportsmanlike penalties are given out (we really really really don't want to!). If you have questions, issues, last minute changes, etc., please email Lexie Groner at ncomeTD@gmail.com

Clarifications – Don't forget to keep checking for public clarifications! These can be found in the member's area, and any updates will also be posted to the NCOME Facebook page. Also, private clarifications can be submitted until February 15th.

Best,
The NCOME Communications Team
