Hello Coaches and Coordinators!

While snow shuts down most of NC, it can't stop the hard workers at NCOME Headquarters (in fact, it only helps us since we got to leave our "real" jobs early)! The Division I/II/III tournament schedule has been [POSTED!](#)

Take a few minutes and check out your long-term and spontaneous times. See an issue or have a question? Email Tom Hansen at regional-director@ncome.org.

Please note that if you put in a scheduling request, we did our very best to honor it!

ALSO! Judges training information did go out last Saturday. It seems a few people never got it (ah the joys of technology). Please check in with your judges to make sure they have the "when" and "where" and are still going.

Volunteer time/position signup will be going out later this evening or Friday. If your volunteer hasn't received anything by 8:00pm Friday, they should email Lexie Groner at ncomeTD@gmail.com.

Hope everyone stays safe and we will see you in three weeks!

Sincerely,
The NCOME Communications Team
