

# Odyssey of the Mind Tournament and Coronavirus

---

From: **NCOME Tournament Director**

Wednesday, Mar 4

Hello Coaches and Coordinators,

We are aware of the case of Coronavirus in Wake County. We are closely monitoring the situation and consulting CDC and Wake County Public School System guidelines and responses. At this time, the tournament is on as scheduled.

Any participants and spectators should stay home if they feel ill. Please do your best to help us follow CDC disease spread prevention guidelines - wash hands with soap and water!

You can find the current Wake County Schools response and plan of action here:

Thank you! We look forward to seeing you on Saturday!

Best,

Lexie Groner, Tournament Director

Tom Hansen, Regional Director
