## Tournament Registration

Hello OMers!

We've finally opened tournament registration! Early bird pricing ends Dec. 24th and the final deadline to register is January 14th.

A change from the last few years - we have taken out the page for judge and volunteer registration. **All teams are still required to provide both** but we are asking the judges and volunteers to register themselves through a different system (links below).

To start your team's tournament registration, follow these steps:

- Click [this link](#) to be taken to the Members Area login page
- Log in to the Members Area using your team membership number and zip code (Member Login)
- In the Members Area, click on the "Tournament registration" link to start the tournament registration process

To register your team-provided judge and volunteer, please use the links below:

[Judge Registration](#)  
[Volunteer Registration](#)

Please reach out with any questions or issues!

Lexie Groner

NCOME Tournament Director

## Skills Fair Registration

The flyer is a rectangular graphic with a light pink background and a dark red border. It features several icons: a hand saw cutting wood, a stack of lumber, a blue gear, a teal hot glue gun, two theatrical masks (one white, one gold), and a pair of pink-handled scissors. The text is centered and reads: 'Skills Fair' in large, stylized letters; 'Saturday, November 12' below it; '9:00AM - 12:30PM' and 'The Expedition School (Upper School Building)' in bold; the address '437 Dimmocks Mill Rd. Hillsborough, NC 27278'; and '\$10 per attendee (adults free)' at the bottom.

# Skills Fair

**Saturday, November 12**

**9:00AM - 12:30PM**  
**The Expedition School**  
**(Upper School Building)**

437 Dimmocks Mill Rd.  
Hillsborough, NC 27278
